

SOFTENER

PRODUCT DESCRIPTION:

Hypoallergenic and dermatologically-tested scented softener with high concentration.

- Avoids and prevents possible allergic reactions. Hypoallergenic product tested by the ISPE Institute
- “Nickel Tested” product, verified by the University of Turin
- High concentration, excellent results even with low dosages
- “Velosoft” effect which protects garments
- Makes garments soft and releases a fresh Talc fragrance

Nichel < 0.01ppm ★ Dermo tested I.S.P.E.

DIRECTION FOR USE:

Bioxelle Softener is used in the last rinse, with a limited water level.

Thanks to its innovative formula it avoids all possible allergic reactions of people who wear clothes.

Add 10-15 ml of Bioxelle hypoallergenic softener per kg of dry garments in the last rinse.
