SUSTAINABILITY

- All the formulations contain **SURFACTANTS 100% OF NATURAL ORIGIN.**
- Product bottles and jerrycans are made of **100% RECYCLED PLASTIC**
- **VEGANOK CERTIFICATION (COMPANY N.1055),** the most popular vegan certification in the world.

SAFETY

- **NICKEL, CHROME AND COBALT** tested (Laundry Detergent, Softener and Spray: <0,00001%; Floor Detergent: <0,0001%)
- The formulas contain **0% OF MINERAL OILS, EDTA, PARABENS AND FORMALDEHYDE.**
- **NO ANIMAL TESTING.** The products have not been tested on animals.

NOTE DI NATURA - Gran Bucato Detergent GREEN&SAFE

Gran Bucato Note di Natura detergent is a concentrated product with a professional formula for laundry and stain-removal. **100% of its surfactants are of vegetal origin.** Its formula has been created respecting the environment thanks to the choice of raw materials of natural origin. The **enzymatic formula** guarantees a perfect laundry without stains already with cold water, thus avoiding useless squandering. Suitable for all fabrics, both for **white and colours.**

- **VEGANOK product tested for Nickel, Chrome and Cobalt (<0,00001%)**
- **It does not contain mineral oils, EDTA, Parabens and Formaldehyde.**
- **Bottle made of 100% recycled plastic.**
- **VEGANOK product, free from substances of animal origin.**

Code: A34-010

Available sizes: 750ml - 20Kg (Jerrycan with vent to sell "on tap")

NOTE DI NATURA - Softener GREEN&SAFE

Note di Natura® Green&Safe softener has a highly concentrated professional formula and a long-lasting emotional fragrance. Its special formula, created respecting the environment, contains **100% of surfactants and softening substances of vegetal origin.** The high concentration of active ingredients allows to use small doses of product thus avoiding wastes and reducing the circulation of plastic.

- **VEGANOK product tested for Nickel, Chrome and Cobalt (<0,00001%)**
- **It does not contain mineral oils, EDTA, Parabens and Formaldehyde.**
- **Bottle made of 100% recycled plastic.**
- **VEGANOK product, free from substances of animal origin.**

Code: A34-020

Available sizes: 750ml - 20Kg (Jerrycan with vent to sell "on tap")

NOTE DI NATURA - Floor Detergent GREEN&SAFE

Universal floor detergent. Its formula contains **100% of surfactants of vegetal origin.** Concentrated professional formula for a deep cleaning and a long-lasting environmentally friendly perfume. **Concentrated Gel Formula** for a correct dosing without wastes. Formula with **neutral pH** for all kinds of floors, even the delicate ones. It is not necessary to rinse.

- **VEGANOK product tested for Nickel, Chrome and Cobalt (<0,00001%)**
- **It does not contain mineral oils, EDTA, Parabens and Formaldehyde.**
- **Bottle made of 100% recycled plastic.**
- **VEGANOK product free from substances of animal origin.**

Code: A34-100

Available sizes: 750ml

NOTE DI NATURA - Tex & Air Spray GREEN&SAFE

Air and Fabric Deodorant Spray with a special fabric-protecting and odour-eliminating formula. It can be sprayed on **all fabrics** and in the **air**, for a "Green" perfume and protection. It **eliminates unpleasant odours** and leaves an intense and long-lasting scent. Professional product with **orange and sage essential oils.**

- **VEGANOK product tested for Nickel, Chrome and Cobalt (<0,00001%)**
- **It does not contain mineral oils, EDTA, Parabens and Formaldehyde.**
- **VEGANOK product, free from substances of animal origin.**

Code: A34-000
